

6-7th grade Volleyball

Thank you for participating in our middle school volleyball program! We are so excited to have our middle school sports program. Thank you for allowing your child to participate, as it is a lot of fun! [The CR Anderson Sports Program is to provide equal and safe opportunities for all students to participate. We focus on fostering competition, sportsmanship, teamwork, and individual improvement.](#)

Team Placement: The 6th and 7th grade team placement will be March 10-12. This will take place from 3:00-4:00 PM. Players will find their team placement on Friday. Unfortunately, we cannot email this information home. The teams will be posted to the upper gym. **The students must pay attention to their coach, practice time, and gym.** These are final teams, and we will not make any changes after this time.

Practices: We start practices with teams on March 17th! Your child will have practice at 3:00 or possibly 4:00 PM. All practices are Tuesday through Friday and will remain the same all season long. We will not be taking any requests for teams or practice times. Please be understanding and know that not everyone will have a practice time right after school. Practice time is dependent on the availability of the gyms and the coaches. We appreciate your understanding.

Study Halls: If your child has a 4:00 PM practice, we will provide a study hall from 3:00-4:00 PM. This will be held in Room 205, Mr. Connolly's room. This study hall is provided for any players who would like to stay and do homework and have a 4:00 PM practice. We are lucky to be providing this, so please remember to have your child bring their work every day. If students do not want to go to the study hall, they must leave the school and return at their practice time. There is no other supervision available for students who stay at school. **Students are not allowed to stay in the gym to watch other practices or be in the halls.**

Games: All games will be played at either HMS or the CRA gyms. We will release the game schedule as soon as possible. Again, parents are responsible for transporting athletes to and from games. There will not be practices on the night of games. The game schedule will be emailed to you and posted on the school website- under CRA sports. **Please watch for the emails!**

There is no supervision for students during volleyball games or outside of their practice time.

Please only allow your child to be at CR during their scheduled game and practice times.
